Sir,

Qualifications - Degrees and Diplomas of accredited American Universities and Colleges - Recognition
Your letter No.2791/47-1. dated 10-9-1947.

I am to say that the Commission has not by any general or special order recognised any qualification as equivalent to the qualification prescribed in the statutory rules. The Commission's practice has been to consider each case on its merits as and when a candidate, possessing a qualification other than the prescribed qualification, applies for appointment to a post advertised by it. The Commission then decides whether the qualification possessed by the candidate can be considered as equivalent to the qualification prescribed, after examining the syllabus of study, the standard of the examination, the length of the course, the ~~xtxxxxxdxxfxtxxxxxxxxxxxxxx~~ marks required for a pass etc. The degrees and diplomas of the American Universities and colleges referred to in the letter of the Government of India will be given due consideration in accordance with this ~~xxx~~ practice as and when occasion arises.

The enclosures to the letter cited are returned.

Yours obedient servant,
